Case No. AP-2006-025

By application accepted for filing February 16, 2006, E. B. Limousine and Transportation Services LLC, a Maryland entity, seeks a certificate of authority for irregular route operations in vehicles with a seating capacity of less than 16 persons only, including the driver.

Applicant was granted operating authority last year, but the issuance of a certificate of authority was expressly made contingent on applicant filing additional documents.¹ Applicant failed to file the necessary documents in a timely manner, thereby voiding the Commission's approval.²

Applicant proposes commencing operations with one van and two sedans. Applicant's proposed tariff contains hourly group charter rates with a minimum charge, rates for transportation to and from Ronald Reagan Washington National and Washington-Dulles International Airports, and rates for other one-way transfers.

This proceeding is hereby initiated to determine whether applicant is fit and whether the proposed transportation is consistent with the public interest.

THEREFORE, IT IS ORDERED:

1. That applicant shall publish once in a newspaper of general circulation in the Metropolitan District, no later than March 16, 2006, notice in the form prescribed by the staff of the Commission.

2. That applicant shall file with the Commission, no later than March 30, 2006, an affidavit that notice has been published as required in the preceding paragraph.
